### 02: Culina

For a relaxing, no frills meal on the weekend, head to Culina Bistro at the lush Dempsey area. The new menu here includes a range of well-executed dishes including ultra-tender Maori Lakes lamb chops with rosemary jus, pillowy potato gnocchi, garden peas and spinach. Worth trying too are the pan-fried crab cakes with heirloom tomatoes and avocados, or the boldly flavoured saffron risotto topped with sweet, succulent Scottish scampi and fennel. Round off your meal with sticky toffee pudding, pear and vanilla ice cream, laced with luscious butterscotch sauce.
