

A Christmas to Remember
2021

A Christmas to Remember

Christmas inspires hope.

As we take small steps towards yet another curious yearend, let's make it wonderful once more.

Start with warm – Covid-free – embraces, just tighter than before.

Make each gathering of friends and family even more meaningful.

Celebrate little moments of great indulgences around the Christmas table just a little more.

Let savoury wafts of glazed roasts lead you to the dining table, where cherished memories are made.

Uncork your finest bottles, and make a toast to every experience shared and savoured.

With bellies and hearts full of love, gifts filled with thought are in order – a joyous moment not to be missed.

It's time to warm up to Christmas.

Let Culina help you create your Christmas moments - both small and grand - to always remember.

Roasts From The Deli
